Prerequisites:

Using the right word, at the right time, to express our thoughts rightly, defines our language competence. To speak confidently you need to practice. Regular practice improves our ability, our resources and our confidence. There is no short cut to develop our fluency other than practice. Small steps taken regularly leads to a long way. Hard-work and persistence establishes success.

Course Objective:

After completing the course the students will have competence to hold a discussion in professional atmosphere. Students will also have the confidence to use appropriate vocabulary in any kind of spoken discourse in day-to-day life and real life situations. They will also be able to seek better job opportunities by expressing themselves effectively in interviews.

Course Outcomes:

After completion of the course

CO1	The students will develop the ability to communicate effectively.
CO2	The students will have an extended way of expressing themselves.
CO3	They will also develop the ability and confidence to face interviews.
CO4	They will be able to successfully handle real life situations of Business Correspondence.
CO5	Students will be in a position to understand the basic concepts of the language, enabling them to speak and write correctly.
