Industrial Visit

The Department organized an **Industrial Visit** for M.Sc. students to provide practical exposure to industrial processes and laboratory practices. As part of this visit, students visited **CIPET, Bhopal** and **IISER, Bhopal**, where they observed advanced laboratory facilities, production processes, and quality control techniques. Students also interacted with experts and researchers, which helped them understand the real-world applications of chemistry in industry and scientific research.

Alumni Interaction Program

The Department organized an **Alumni Interaction Program** to strengthen the connection between alumni and current students. **Esteemed alumnus Dr. Ajay Shrivastava from CTX Biosciences Pvt. Ltd., Surat, Gujarat**, interacted with the students and shared his professional experiences and career journey in the pharmaceutical industry. He provided valuable insights about opportunities in industry and higher education, guiding students on career planning, skill development, and future prospects in the scientific field.

National Science Day – 28 February 2024

The Department celebrated **National Science Day on 28 February 2024** to commemorate the discovery of the Raman Effect by **Sir C.V. Raman**. The program included scientific discussions, presentations, and interactive activities aimed at promoting scientific awareness and curiosity among students. Students enthusiastically participated and showcased their scientific ideas and creativity.

Farewell Party

The Department organized a **Farewell Party** for the outgoing **M.Sc. Applied Chemistry batch**. Faculty members and junior students extended their best wishes to the graduating students for their future careers. The event was filled with memorable moments, cultural activities, and words of encouragement for the students as they prepared to begin the next phase of their professional journey.
