

REPORT ON A DAY IN HOUSE WORKSHOP ON OUTCOME BASED EDUCATION

21 July 2023

Internal Quality Assurance Cell (IQAC) in collaboration with the Mechanical Engineering Department organized a day workshop on **OUTCOME BASED EDUCATION (OBE)** on 21 July 2023.

The objective of the workshop is to provide an overview of the OBE, course outcome and their mapping, and their attainment calculation. A total of thirty faculty members from various departments of the institute participated in the workshop.

The workshop was inaugurated by deputy director Dr Y K Jain. He urged all participants to imbibe the concept of outcome based education and implement it in academics. Dr Sanjay katarey briefed about the objectives and contents of the workshop.

The first session was conducted by Dr Sanjay Katarey on Philosophy of Learning, Education and OBE. He briefed the participants about the importance of education in evolution of human and OBE. He also explained about course outcome and their relation with Program outcome.

Dr Ashish Manoria delivers the lecture on calculation of Course Outcome and Program Outcome. He also presented a sample calculation about attainment of CO and PO.

A practice session also organized to provide hands on experience on CO/PO attainment and all related calculation.
