# International Conference Detail 2024-25

| S. No. | Name Of Author | Title Of Paper | Organized by (venue) | Date |
|--------|----------------|----------------|----------------------|------|
| 1 | Dr. Sunil Joshi | Data Science and Applications | 5th Springer International Conference on Data Engineering And Applications | 29 Jun 2024 |
| 2 | Dr. Panita Jain | A Comprehensive Review : Machine Learning Algorithms for Fake News Detection | 5th Springer International Conference on Data Engineering And Applications | 29 Jun 2024 |
| 3 | Prof. Mukesh Azad | Advances in Deep Learning for Multivariate Time-series Anomaly Detection | 3rd IEEE International Conference CCIS-2024 at GLA University, Mathura, India | 07 Dec 2024 |
| 4 | • Anukriti Jain, Akshat Shrivastava, Apoorv Soni, Dr. Sunil Joshi | Roomify: Enhancing Online Furniture Shopping with Augmented Reality and AI Assistance, | Roomify: Enhancing Online Furniture Shopping with Augmented Reality and AI Assistance, | |
| 5 | Dr. Pranita Jain | Retinal Diabetic Complications Prediction by Elephant Herd Optimization Features and LSTM model | International Conference on Robototics, Communication and Soft Computing in NIT Sikikm | 01 Jan 2025 |
| 6 | Dr. Pranita Jain | Multimodal Deep Learning Frameworks for Advanced Image Recognition and Classification in Complex Systems: A Hybrid Approach to Feature Extraction and Pattern Discovery | 2 International COnference (IC3SE-2025),Amity University Noida | 19- 21 mar 2025 |
